

Watch *WAKFU, the Series* on Netflix Worldwide

After its successful release on French television and Netflix France, **Season 3** of the **WAKFU** animated series is coming **to Netflix worldwide**. In line with its transmedia strategy, Ankama is accompanying **the global release** with a new free app, the action game **WAKFU: The Brotherhood**.

Roubaix, April 6: **WAKFU Season 3** is finally coming to the rest of the world on **Netflix**. This season was produced entirely by **Ankama Animations**, and will be available in several languages, both **dubbed** (English, Spanish, German, Italian, Portuguese, and Polish) and **subtitled** (Swedish, Danish, Norwegian, Finnish, Dutch, Arabic, Simplified Chinese, and Japanese). To celebrate the **release**, Ankama is offering its fans a free minigame, **WAKFU: The Brotherhood**, available now on [iOS](#) and [Android](#).

This **new free mobile game** accompanies the Brotherhood of the Tofu's arrival on **Netflix worldwide** to make the event even better.

In this new **beat 'em up** game, you can play as the members of the animated series: Yugo, Percedal, Adamai, and their friends. You'll have to thwart the terrible Nox's plans to invade the World of Twelve.

DESCRIPTION

Join Yugo and his friends from the animated series **WAKFU**® in a one-of-a-kind adventure!

Play one of the heroes of the Brotherhood of the Tofu and team up with your most faithful allies to defeat the waves of metallic creatures sent by Nox, the Master of Time, as part of his demonic attempt to consume the Wakfu of all living creatures.

Battle Nox and his army of robots, and put an end to his mortal and merciless quest for vital energy!

In an original story that takes place at the start of the first season of the **Netflix**® series, bash, smash and crush everything in your way, and perform wild combos to defeat the evil Master of Time!

There's no going back!

About the Ankama group

Ankama is an independent company that creates, publishes and distributes works of entertainment worldwide. From video games to board games, from animations to mangas, it controls the production chain of its creations from A to Z. Known for its MMORPGs and the animated series *DOFUS* and *WAKFU*, part of a vast universe called the Krosmoz, it achieved its first full-length feature film in 2016, *DOFUS – Book I: Julith*. Its many other creations include: the *Krosmaster Arena* board game and figurines; the mobile video games *Tactile Wars*, *King Tongue*, *DOFUS Pogo*, *Nindash*, *WAKFU: The Brotherhood* for smartphones and tablets; and manga and graphic novels such as *Mutafukaz*, *Shangri-La*, *City Hall*, *Radiant*, and *Freaks' Squeele*. Indeed, since 2004, the Ankama teams have been applying the principles of transmedia and creating universes that they develop through multiple stories in multiple media, thereby offering their communities of players, readers and spectators a full and immersive narrative experience across all popular platforms. At Ankama, every story is unique, but they are all interconnected. To get an idea of what's going on at Ankama, take a look at: *DOFUS Touch*, the tablet and smartphone version of *DOFUS*, released in late 2016; *Krosmaga*, the collectible card game combining combat and strategy; season 3 of the animated series *WAKFU*, aired on France 4 and NETFLIX France in 2017 (with worldwide release in April 2018); and the movie *MUTAFUKAZ* with Orelsan, Gringe, and Redouanne Harjane, scheduled to hit the big screens in France on May 23, 2018. <http://www.ankama.com/>
