

## DOFUS Update: The City of Mercenaries

With the DOFUS 2.46 update, the server open to non-subscribers is getting three new zones, and the service that lets you redistribute character stats is included for free with subscriptions.

**Roubaix, France – March 28, 2018:** Two measures aiming to give DOFUS players more free content were rolled out this week, for the **2.46 update** of the MMO. Discover "The City of Mercenaries" in [the DOFUS Time episode on the subject](#):

This update **focuses mainly** on the early stages of the game, and contains among other things to major changes:

- The borders of the region **accessible for free to non-subscribers** have been expanded. Players there get **three zones to explore**, which notably contain **new dungeons and new quests**.
- The "**Unlimited Orb**" service, which allows players to **modify the distribution of character stats at will** is now **included in the various subscription packs, whose prices have not changed**.

#### About the Ankama group

Ankama is an independent company that creates, publishes and distributes works of entertainment worldwide. From video games to board games, from animations to mangas, it controls the production chain of its creations from A to Z. Known for its MMORPGs and the animated series *DOFUS* and *WAKFU*, part of a vast universe called the Krosmoz, it achieved its first full-length feature film in 2016, *DOFUS – Book I: Julith*. Ankama has many strings to its bow, including: the board game *Krosmaster Arena*, its figurines and its online version; the video games *Tactile Wars*, *King Tongue*, and *DOFUS Pogo*, on smartphone and tablet; but also mangas and graphic novels such as *Mutafukaz*, *Maliki*, *City Hall*, *Radiant*, and *Freaks' Squeele*. Indeed, since 2004, the Ankama teams have been applying the principles of transmedia and creating universes developed through several stories and in several formats, thereby offering their communities of players, readers and spectators a full and immersive narrative experience across all popular platforms. At Ankama, every story is unique, but they are all interconnected.

To get an idea of what's going on at Ankama, take a look at: *DOFUS Touch*, the tablet and smartphone version of *DOFUS*, released in late 2016; *Krosmaga*, a collectible card game combining combat and strategy; season 3 of the animated series *WAKFU*, aired on France 4 in September 2017 and Netflix France in 2017 (and worldwide from April 1, 2018); and the feature film *Mutafukaz* with Orelsan, Gringe, and Redouane Harjane, coming to the big screens in France on May 23, 2018.
