

Necros & Paladirs: The First Krosmaga Expansion

For Ankama's online card game, there's the first **expansion** today, and the **finale of the FDJ tournament** at ESWC Summer in Bordeaux on the 1st and 2nd of July.

Roubaix, France - June 28th, 2017- Things aren't slowing down for **Krosmaga**, "the card game of the gods" created by Ankama. The first expansion, Necros & Paladirs, is being **released today**, and it will bring a ninth god to the game (Enutrof) and more than 150 new cards. And the company is reinforcing this event by **offering each Krosmaga player** three packs of Necros & Paladirs cards, which means **15 free cards**. [Watch the animated trailer:](#)

In other news, Francaise des Jeux (**FDJ**) organized a Krosmaga tournament in May/June involving more than 250 participants, and the final stages will play out during **ESWC Summer**, July 1st and 2nd, in Bordeaux. The eight who qualified, and whose duels will be directly broadcast and commentated on the Krosmaga [Twitch](#) channel, will share a **cash prize of €3,000**. Additionally, visitors to the Convention Center will have the opportunity to discover and try out the game.

About the Ankama group

Ankama is an independent company which creates, publishes and distributes works of entertainment worldwide. From video games to board games, from animations to mangas, it controls the production chain of its creations from A to Z. Known for its MMORPGs and the animated series DOFUS and WAKFU, part of a vast universe called the Krosmoz, it achieved its first full-length feature film in 2016, DOFUS – Book I: Julith. Among the many strings of its bow: the board game Krosmaster Arena, its figurines and its online version; the video games Tactile Wars, King Tongue, and DOFUS Pogo, on smartphone and tablet; but also mangas and comics such as Mutafukaz, Maliki, City Hall, Radiant, and Freaks' Squeele. Indeed, since 2004, following the principles of transmedia, the Ankama teams have been creating universes developed through several stories and in several formats, thereby offering their communities of players, readers and spectators a full and immersive narrative experience across all popular platforms. At Ankama, every story is unique, but they are all interconnected.

To get an idea of what's going on at Ankama, you should take a look at: DOFUS Touch, tablet and smartphone version of DOFUS, released in late 2016; Krosmaga, a collectible card game mixing combat and strategy, planned for the first half of 2017; and the animated series WAKFU, whose fans will be presented with a third season in late 2017.
