#### **About the Ankama Group**

Ankama is an independent company which creates, publishes and distributes works of entertainment worldwide. From video games to board games, from animations to mangas, it controls the production chain of its creations from A to Z. Known for its MMORPGs and the animated series *DOFUS* and *WAKFU*, part of a vast universe called the Krosmoz, it achieved its first full-length feature film in 2016, *DOFUS – Book I: Julith*. Among the many strings of its bow: the board game *Krosmaster Arena*, its figurines and its online version; the video games *Tactile Wars*, *King Tongue*, and *DOFUS Pogo*, on smartphone and tablet; but also mangas and comics such as *Mutafukaz*, *Maliki*, *City Hall*, *Radiant*, and *Freaks' Squeele*. Indeed, since 2004, following the principles of transmedia, the Ankama teams have been creating universes developed through several stories and in several formats, thereby offering their communities of players, readers and spectators a full and immersive narrative experience across all popular platforms. At Ankama, every story is unique, but they are all interconnected.

To get an idea of what's going on at Ankama, you should take a look at: *DOFUS Touch*, tablet and smartphone version of *DOFUS*, released in late 2016; *Krosmaga*, a collectible card game mixing combat and strategy, planned for the first half of 2017; and the animated series *WAKFU*, whose fans will be presented with a third season in late 2017.
